**Mayor/Trustee Comments**

Mayor Wohl shared that Trustee Rouis will be the Sewer Commissioner.

Trustee O'Donnell reported that she and Chief Watt had a productive meeting with Senator Skoufis last week and discussed possible funding opportunities for Village of Goshen Police Department Renovations. There have been public safety concerns with the schools and on the highway that they were also able to discuss with Skoufis.

Trustee O'Donnell referenced a letter from James O'Donnell of the NYS Legislature with his support of Jonathan F. Rouis to the Village Board of Trustees.

Lastly, Trustee O'Donnell shared that Great American Weekend festivities are starting a day earlier with a reception to show gratitude for sponsors and others involved helping to make Great American Weekend a success. She went over the schedule that horse

races are Saturday, Sunday and Monday at 1pm, with Great American Weekend taking place on Saturday and Sunday.

Trustee Gurda reported that the DPW has been preparing for Great American Weekend, and welcomed Jonathan Rouis to the Board.

Trustee Scotto shared that he along with Superintendent Birney and Erin had a kickoff meeting to discuss the water treatment plant utilizing the grant funds secured.

Attorney Donovan reported that Goshen Rec Camp had a successful opening day.

### **Citizens' Comments**

Mr. Paul Lang, Assistant Supervisor of the Transportation Department for the Goshen Central School District, addressed the safety concerns he has when busses leave C.J. Hooker onto Lincoln Avenue. The current situation allows parking/line up of vehicles on one side and no parking on the other side, making it difficult for busses to navigate the tight spaces. Chief Watt will bring this concern to Dr. Kotes as he is meeting with him later in the week. Mayor Wohl thanked Mr. Lang for his timing of writing a letter and coming before the Board as there are several weeks before school resumes in the fall.

Mr. Mikel Ledford and Connie Bertone of Mc Nally Street went on record to share the signed petitions they had regarding the recent changes of on street parking on McNally Street. Mr. Ledford asked if there were a way to allow residents on street parking privileges by registering license plates, or a decal for each vehicle. Discussion took place advising that GIS faculty park on the street, which has led to the issues with on street parking. The primary concern of all is the safety of the children leaving GIS. Mayor Wohl advised that he will discuss this issue with Dr. Kotes and this is a great opportunity to look at all of the safety concerns around Goshen schools.

Ms. Colleen Hughes congratulated Trustee Rouis on his appointment to the Village Board of Trustees.

Clerk Darby conducting the swearing in of Jonathan F. Rouis as a Trustee of the Village of Goshen Board of Trustees.

On a motion by Trustee Rouis, seconded by Trustee O'Donnell, the Meeting was adjourned at 7:34 pm.
